

Dear Rite Aid Vendor:

Rite Aid has partnered with CT Logistics to standardize and streamline our freight payment processes. We implemented an electronic payment platform that eliminates all paper copies of carrier freight invoices and supporting documentation, such as Bills of Lading and Delivery Receipts.

The new payment platform benefits our vendor by allowing you to access supporting freight documentation on-line via the carrier's website using the carrier PRO number referenced on the vendor invoice. With this system, Rite Aid will no longer provide paper copies of these documents when freight deductions are taken from vendor invoices.

Thank you, in advance, for your cooperation.
