

## RITE AID EDI/B2B TRADING PARTNER ENABLEMENT SOLUTIONS

In order to facilitate exchanging transactions electronically with Rite Aid, we have developed relationships with a number of the leading enablement solution providers. Please contact the Solution Provider directly to learn more about their service options. These companies provide a variety of commercial solutions and services to meet the needs of our trading partners to enable trading electronically with Rite Aid.

These solutions support traditional EDI as well as any-to-any file transfers, CSV, or Excel files, PDF images, XML, accounting package integration, web-based services, service centers, desktop software solutions, fax-to-EDI and paper/fax OCR conversion to name examples. You may also refer to the EDI Vendor Directory for EC-EDI Vantage Point for additional commercial listings.

Permission has been granted to link to the sites below. The links are provided for convenience only and there are no promises made as to the quality of the site information, services or products. The list is alphabetical and not in any order of preference. All Solution Providers are capable of supporting Rite Aid's EDI requirements and meeting your company's individual needs.
